LINWOOD FAMILY FUN DAY SEPTEMBER 12, 2015

Kick off Linwood Family Fun Day with a **5k RUN/WALK** sponsored by Wyoming and North Branch Snap Fitness. All fitness levels are welcome! Pre-registration forms on Township website. The Scouts will be serving up a **PANCAKE BREAKFAST** along with an early morning **BAKE SALE** by Linwood Helping Hands. Find a wide variety of craft vendors both inside and outside, always a favorite with the adults.

The **KIDDIE MIDWAY** will have even more games and prizes. Also, for the kiddo's we have **TOMMY'S PETTING ZOO, EXOTIC ANIMALS**, along with **PONY RIDES**. Close by there will be inflatable **BOUNCY HOUSES**, and a **MECHANICAL BULL**, which is fun for young and old alike, all starting at 10:00 am. Venture back into the Senior Center at Noon for the Fish Pond and Cakewalk and you could go home with dessert. New attractions this year include **CLYDESDALE HORSES**, up close and personal and the first annual **LINWOOD COW CHIP THROWING CONTEST!** This event is more fun than should be allowed.

Visit one of our many **FOOD VENDORS** and the famous **LINWOOD FIREMEN'S BOOYA**. The magical talents of **KARL ACHILLES** will amaze you, along with entertainment throughout the day by **THE TOONIES, BLUE CANYON BAND**, and **MARY HALL**. You can also watch as an unsuspecting person is awarded the **LINWOOD TOWNSHIP ANNUAL HALL OF FAME AWARD**. You can't miss the **ANNUAL CAR and TRACTOR SHOWS** that grow each year, along with the **FLEA MARKET** and **SWAP MEET**. Sign up for a **PIE EATING CONTEST** with French Silk pies from the Village Inn and show off your talents in the **TALENT SHOW**. At dusk you can view one of the best **FIREWORKS** displays in the county. For more information, visit www.linwoodtownship.org or call Judy Hanna: 651-462-5600 or Nancy Olson: 651-462-1128.

FIREMAN'S DANCE

THE DANCE WILL START AT 6PM UNTIL MIDNIGHT. WE HAVE THE SAME BAND AS LAST YEAR. THEY ARE AS AWESOME AS ALWAYS WITH A NEW NAME, WHISKEY STONE. THEY WILL BEGIN PLAYING AT 8PM. THE FIREWORKS WILL START AROUND 10PM. THERE WILL BE FOOD AND RAFFLES. TICKETS ARE \$5 IN ADVANCE. AS ALWAYS, WE WILL HAVE BOOYA FOR SALE DURING FAMILY FUN DAYS.

PLEASE DONATE TO OUR FIRE ENGINE RESTORATION.
AND
REMEMBER TO HAVE FUN AND BE SAFE.

Let's Try for Zero Waste this Year!

Last year, we had 6 cubic yards of compostable waste and 12 cubic yards of garbage. Let's aim for zero waste this year at Family Fun Day. WE CAN DO THIS LINWOOD!!

This year at Family Fun Day we will be recycling again, but, we will also be collecting food waste. Organic recycling is a great way to recycle back into the earth. There will be recycling, waste and garbage collection points throughout the grounds at the Town Hall and at the Fire Station. **Please ask if you are unsure where to place any of your "trash".**

We are looking for volunteers to help at all the waste collection points during Linwood Family Fun Day and the Fireman's Dance. Please call Ed Kramer at 651-462-4979 if you would like to help out. Ed will be having a training class on what should and should not be placed in these waste collection points.

Congratulations Tom Sausen

- Anoka County Recycling & Resource Solutions Department recently held its 26th annual Recycling Recognition Awards Ceremony. The first class of "Master Recycler Composter's" were recognized for completing the Master Recycler course work and being willing to volunteer at community events. Tom Sausen was one of the 26th. Tom works closely with Ed Kramer at the Recycling Center and takes charge of the composting. We want to thank you for your time, Tom.

HELP WANTED

Linwood Family Fun Day is just around the corner and we could use your help. Organizational meetings will be held at 5:00 pm every Monday in August at the town hall.

Please come and be part of the planning.

Volunteers are also needed on

Linwood Family Fun Day, September 12th, to assist with games and activities, set-up and clean-up.

Join in the fun and help make this community celebration the best day ever!

Our Recycling Center is open the 4th Saturday of every month from 8am-12pm (Noon).

We accept many material, compost materials and we have also teamed up with Bridging. Bridging takes slightly used house old items and recycles them to families. Please visit linwoodtownship.org under Recycling for more information.

Collecting Organics at Linwood Family Fun Days!

What is organics for composting?

Collecting organics for composting is a natural process that recycles organic materials, such as food waste, yard trimmings, and non-recyclable papers. Over time, tiny micro-organisms break down these organic materials into a dark brown, organic soil amendment or mulch that is rich in nutrients.

Why collect organics for composting at events?

- Reduce food waste from going to a landfill or incinerator. Each year in the U.S., approximately 40% of household trash is food waste, yard waste, and non-recyclable paper waste, all of which can be composted.
- In a landfill, there is very little oxygen exposure and the breakdown process is inefficient, generating emissions of methane gas that are harmful to the atmosphere and people. Composted food and paper waste does not produce methane gas and creates a valuable soil amendment to use on farms, lawns, gardens, and potted plants that increases the nutrient content in existing soil and reduces the need for fertilizers, pesticides, and water.
- Organics do not burn well to make a good fuel source for incineration at resource recovery plants, and more land space is required for landfilling organic materials that could be composted.

For more information, please contact Anoka County Recycling & Resource Solutions at 763-323-5730.

Hall of Fame

Linwood Township has a long and rich history of community involvement by its citizens. Who comes to mind when asked, "What person really cares about our community and makes Linwood a great place to live?" Various volunteer organizations have over the years, worked hard to enrich the quality of life in our area. Certain individuals have spent great amounts of their time and talent to make Linwood the very special community that we are all proud to call home. It is fitting that our community honors, remembers and recognizes the efforts and contributions of these individuals with a **Linwood Hall of Fame**. Visit the Town Hall or linwoodtownship.org for an application form.

Quick Note—Snow Policy

Linwood Township Snow Removal Policy

With the advent of another snow season comes the concern about access to work, school, and business. The safety and convenience of the traveling public is a primary concern of Linwood Township. The Township's goal is to have all roads passable within a reasonable amount of time after a snowfall has stopped. The Township does not assure completely bare roads, and not all sections of the roadway will be sanded. Users of the road system are reminded to exercise caution and drive with care. Driving at the legal speed limit may not be possible at all times.

Snow Removal Procedures

1. Dispatching of Snowplows

The Township will usually not dispatch the snowplows until snow accumulates to 4" or more and the snow has stopped, with the exception of extended periods of snowfall. The snowplows will not be sent out in situations where limited visibility poses a hazard.

2. Operations

Generally, the clearing of roads will consist of three phases: making the road passable, widening and sanding, and clean up. Conditions may allow more than one phase to be accomplished at one time.

3. Personal Properties

- a. Mailboxes and fences damaged during snow removal will be evaluated case by case. Only metal mailboxes, properly located and installed on approved supports, which were damaged by actual contact with township equipment will be repaired at township expense. The township is not responsible for garbage cans that are knocked over/damaged either by direct contact with township equipment, or pushed by the snow plowed from the road.
- b. Township residents are reminded that it is unlawful to plow snow from driveways onto or across public roads.
- c. Residents are further reminded of Linwood's parking ordinances (No parking on any street or road right-of-way at any time between October 1st and May 1st when there are four (4) or more inches of unplowed snow on the roadway adjacent to the vehicle. Vehicles may be towed).
- d. The Maintenance Department will not attempt to remove stuck vehicles from ditches, snow banks or any other impediment.

Minnesota Statute 160.27, subdivision 5, Minnesota Laws of 1971, advised that pushing snow from driveways and sidewalks onto public roads may be punishable as a misdemeanor.

Snow dumped on roadways creates a real hazard to passing motorists, which can cause serious accidents. Even heavy snowplows have been damaged when hitting compacted and frozen snow deposited on the roadways. Because the practice is illegal to begin with, the person depositing the snow, as the prime cause of any accident, may also find him/herself faced with civil liability lawsuits.
