LINWOOD FAMILY FUN DAY

SEPTEMBER 10, 2016

2016 may be the year to remember for Linwood Family Fun Day. Old favorites, coupled with some new events are making this the year you do not want to miss.

Kicking off the day is the 5K RUN/WALK Sponsored by the Wyoming and North Branch Snap Fitness. The course goes through the county trails and is open to all ages and fitness levels. You may then want to refuel your body at the PANCAKE BREAKFAST being cooked and served by our local Cub Scout Troop. After breakfast treat yourself to some yummy goodies at the early morning BAKE SALE, all made fresh by the Linwood Helping Hands. You will also be able to browse a wide variety of craft and business vendors both inside and out for fun items, ideas, and gifts.

The day is filled with a huge variety of activities for all ages peppered throughout the grounds. The KIDDIE MIDWAY along with TOMMY'S PETTING ZOO, EXOTIC ANIMAL, PONY RIDES, and the CLYDESDALE HORSES that were a big hit last year are all back. The kids always have a blast in the BOUNCY HOUSES, and this year we are adding HAMSTER BALL, fun for all ages. At noon you can venture back into the building to try your luck at the FISH POND and CAKE WALK. You could go home with dessert.

Hungry? Visit one of our many FOOD VENDORS or sample some chili at this year's new CHILI COOK-OFF, you can then vote for your favorite, or if you like you can enter the Cook-off. Getting tired? Sit back and enjoy the wide variety of entertainment that will be on the main stage throughout the day; THE TOONIES, MARY HALL, the magical talents of KARL ACHILLE, and a PIE EATING CONTEST, which you can watch or enter.

Don't forget to venture across the street to Broadbent park for even more events. The ANNUAL CAR and TRACTOR SHOWS are back, as are the SWAP/FLEA MARKET and FARMERS MARKET. Due to the amazing success last year of the LINWOOD COW CHIP THROWING CONTEST they are back for their 2nd Annual contest. You do not want to miss this event! It's more fun than should be allowed.

The day may be ending, but the night is not. This year Linwood Family Fun Day is extended into the evening. There will be a street dance with ANGIE SENGER and the BLUE CANYON BAND, and a BEAN BAG CONTEST with great prizes. That takes us right up to the FIREWORKS display, which has a reputation of being one of the best in the county.

Hall of Fame

Linwood Township has a long and rich history of community involvement by its citizens. Who comes to mind when asked, "What person really cares about our community and makes Linwood a great place to live?" Various volunteer organizations have over the years, worked hard to enrich the quality of life in our area. Certain individuals have spent great amounts of their time and talent to make Linwood the very special community that we are all proud to call home. It is fitting that our community honors, remembers and recognizes the efforts and contributions of these individuals with a ***Linwood Hall of Fame!***

The Linwood Hall of Fame poster showing all past year recipients is proudly displayed in the Town Hall. This year's Hall of Fame recipient will be announced and presented with a plaque on Linwood Family Fun Day.

We ask your help in nominating the 2016 recipient of this annual award. The criteria for consideration are quite simple:

1. *The nominee must have demonstrated a commitment to the betterment of our community by volunteering of time/talents.*
2. *This commitment has been demonstrated through involvement with our school, township, area churches and/or other Linwood organizations.*
3. *The nominee must be a resident of Linwood Township.*

Deadline for nominations is August 19, 2016.

Please visit linwoodtownship.org or the Town Hall for an application

Recycling Award

The Linwood Recycle Center received an award from Anoka County for being pioneers in starting a reuse program. Linwood is the first municipality in Anoka to start such a program. In 2015; 8,440 pounds of material for reuse was collected. Items included used clothing, food products, small gas engine equipment for Tried and True, Bikes for Kids and household items for Bridging. Everyone benefits from reusing our unwanted assets.

Composting

State law prohibits putting brush, tree and yard waste in your garbage, (Minnesota Statutes § 115A.931). “Yard waste” includes garden wastes, leaves, lawn cuttings, weeds, shrub and tree pruning waste. Composting yard waste makes a valuable soil amendment and mulching lawn waste naturally fertilizes and strengthens the lawn to make it more resistant to disease. Simply mow and leave the clippings where they lay. No cost, no bagging, no hauling.

Linwood’s yard waste compost site at the Recycle Center is a good option when you have large quantities of leaves or grass clippings you are unable to compost or leave on your lawn at home. The compost site is open on the 4th Saturday of each month or by making prior arrangements with the Town Office. Past yard waste contributions have resulted in seven yards of finished compost this year, which was picked up by grateful residents. More compost should be ready this fall.

Mark your calendar for 4th Saturday Recycling Center upcoming dates: July 23rd, August 27th, September 24th, October 22nd, November 26th, December 24th from 8 am – noon.

See the Township website linwoodtownship.org for all other materials accepted at the Recycling Center.

FILING PERIOD FOR LOCAL ELECTION RACES AUGUST 2- AUGUST 16, 2016

In addition to the other General Election races, the following four Township positions will be on the November 8, 2016 ballot.

**The positions are:
Town Board Seat "B"
Town Board Seat "C"
Town Board Seat "E"
Clerk**

These positions will be voted on during the November election. Each position will be held for a four year term.

What is a township?

In the late 1700s, Congress ordered a survey that divided the territory that became Minnesota into 36 square-mile tracts of land called townships. When Minnesota became a state, its legislature created a process for those living within these "congressional townships" to organize themselves into a form of local government called town government. Today, towns and cities are the two forms of general-purpose local government that exist in Minnesota.

What is a town board?

A town board is an elected body chosen to conduct the affairs of the town. Five supervisors comprise the town board and are supported by a clerk and a treasurer. All positions are four-year terms. The powers and duties of towns and town officers are set out in state statute.

What are the duties of a town supervisor?

Town supervisors are charged with the duty to make decisions on behalf of the town. While the clerk and treasurer positions have a specific set of duties, supervisors "have charge of all town affairs not committed to other officers by law." Minn. Stat. § 366.01, subd. 1. Supervisors have the responsibility to see that the town fulfills its duties to the state and to town residents.

What are the duties of a town clerk?

Town clerks perform a variety of duties for their town including: keeping meeting minutes; providing notice of meetings; filing and preserving the town's records; serving as the chief election officer for the town; and many other tasks designed to assist the town's operations. The primary duties of the clerk are listed in Minn. Stat. § 367.11, but there are many other references to clerk's duties spread throughout the statutes.

What should be considered before deciding to run for town office?

- * Do you have sufficient time throughout the year to attend meetings, listen to concerned residents, perform assigned tasks outside of meetings, and attend training sessions to learn and remain current on the constantly evolving duties of public office?
- * Do you currently hold a public office that might be considered incompatible with serving on a town board, thus requiring you to resign the earlier position?
- * If you are interested in running for town supervisor, do you currently contract with the town or have an interest in contracting with the town in the future that may constitute a prohibited conflict of interest?
- * Realize that holding public office, even on the board of a very small town, is considered a public trust that can carry very significant criminal and civil penalties if that trust is violated.

When is the town election?

Linwood's election is held on the first Tuesday after the first Monday in November on even numbered years. (To clarify, the 2016 election happens to be on the second Tuesday of the month, because the first Monday is not until the 7th. Normally the election is the first Tuesday of November.)

Am I eligible to run for town office?

To be eligible to run for town office you must be: (1) an eligible voter; (2) a filed candidate for only one position at the same election; (3) be at least 21 years old at the time of assuming the office; and (4) be a resident of the town for at least 30 days before the election.

How do I run for town office?

Those interested in running for a town office can contact the town clerk to file for an office. The filing period is August 2, 2016 – August 16, 2016 at 5:00 PM. To file, a person completes an affidavit of candidacy and hands it to the town clerk along with a \$2 filing fee. Those who properly file for office will have their name printed on the town's election ballot.

Do I have to file to be elected to office?

No, the ballot form contains an open line for each office up for election that voters can use to write in the name of the person they would like to see elected. Sometimes people actively pursue a write-in campaign for a position they did not file for.

If I run for office, am I required to campaign?

No, whether you choose to campaign for the office is entirely up to you. However, you may not campaign in any way at the polling place or within 100 ft. of the polling place door on Election Day. Also, all candidates must complete a certificate of filing form and file it with the town clerk. If you spend over \$750 campaigning, a detailed disclosure report is required.
